IMPACT MENTOR TRAINING

THE DO SCHOOL

Certificate of Attendance

Fréderique van de Sande

Has completed the Impact Mentor Training course.

The Impact Mentor Training took place between January 02, 2026 and April 30, 2026.
It empowers Mercedes-Benz employees to become successful mentors to social and environmental changemakers.

Training contents:

- Mastering the Mentoring role
- How to leverage reverse mentoring for own growth
- Building transformational skills
- Empathic communication
- Building trust and active listening
- Providing content on sustainability and green business models
- Tools for efficient scheduling and planning
- Understanding the role of Mercedes-Benz as good citizen in the context of ESG

Vivien Slatosch,
Head of Corporate Citizenship Mercedes-Benz Group AG
